Your Future Starts Here!

INCLUSIVE EMPLOYMENT AUSTRALIA

Long-term, flexible support tailored to young people with disability, injury, or health conditions.

- Develop practical skills to get a job, from resumes to interview training
- Upskill, discover apprenticeships or further education, and access local services
- Support to find a job that suits you, with ongoing support to maintain employment

TRANSITION TO WORK (TtW)

Tailored support to explore career options and practical steps toward employment.

- Gain hands-on experience through work placements and workshops
- Develop practical skills that prepare you for the transition to workplace environments
- Work with a Youth Support Mentor to reach training and employment goals

SOCIAL, COMMUNITY, & CREATIVE PATHWAYS

Supporting young people to build confidence, connection and capacity.

- Develop skills and strengths through music, art, fitness, and lifestyle activities
- Build connections by joining group outings and community experiences
- Discover hobbies and interests while growing confidence and independence

MAI-WEL ACADEMY & ACADEMY PREP

Capacity-building support designed to assist young people transition from school.

- Build skills through a curriculum that prepares for study, training and work
- Strengthen independence and problem-solving with Job Coaches and mentors
- Improve communication and soft skills, and discover personal strengths

MAI-WEL ENTERPRISES

Supported work environments where participants develop capacity and contribute to real projects.

- Learn teamwork, time management, and workplace expectations
- Be part of a team where support and learning go hand-in-hand
- Gain a sense of pride and achievement through meaningful work
